GAN Membership Application

Gozo Artisan Network membership criteria document will be given out with each application for your guidance.

Mandatory Criteria:

- I. Members should be active economic operators. Membership shall be open to all professional and licensed artisans and craftspeople based and operating from Gozo who have a potential of contributing to the tourism experience in Gozo.
- II. A craftsperson:
 - i. shall produce a certificate demonstrating his competence in the practice of the traditional craft and/or any document or evidence showing that the craftsperson had been practicing the craft for at least two years up to the date of his/her registration.
 - ii. shall be sixteen years or over up to the date of his/her filing an application for registration.
- III. Applicants shall produce the following documents together with their application for registration:
 - i. VAT certificate,
 - ii. Trading licence if applicable.

¹ Art and Crafts and Artisanal Products operators can be affiliated, registered, and certified as per established national or international quality standards such as quality schemes and/or organizations, which once checked and verified on application will qualify the operator to join the Network and the quality label. Otherwise, the Network can engage experts in the field to conduct the certification process for each product as may be required by the quality label.
